

# SHAMBA NIGHTS

## Party in Good Conscience!

SHAMBA Nights, hosted by the SHAMBA foundation, is the hot spot for Toronto's young professionals to socialize, enjoy a cocktail and support a charitable and meaningful cause - all at the same time.

Going out is always money spent, but is it money well spent? The advantage of choosing the SHAMBA Space as your party destination is that every dollar spent not only goes towards having a great time, but also to supporting a credible charity, each and every SHAMBA Night.
